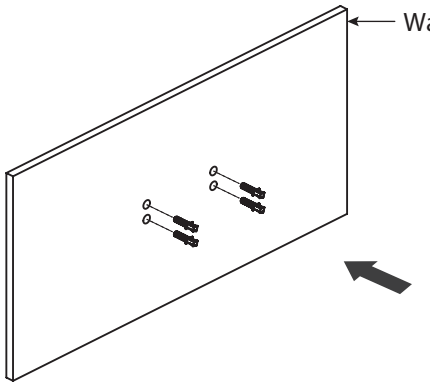
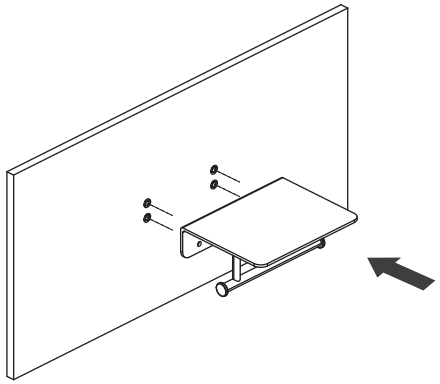
TP.1007- TP Holder With Shelf
Installation Manual

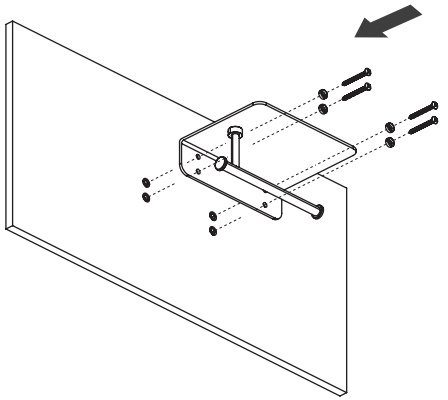
FLUSSO
LUXURY PLUMBING FIXTURES



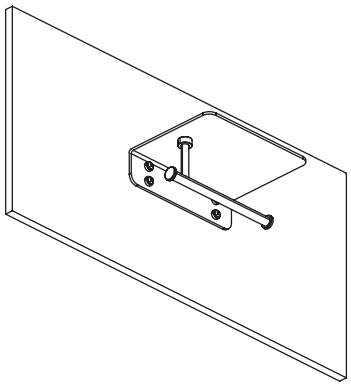
1. Insert wall plug in to the wall



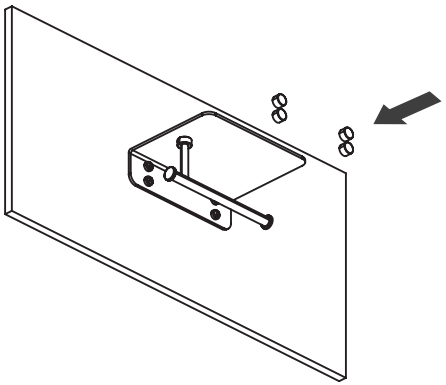
2. Align the toilet paper holder on the wall to mark where the screws will go.



3. An exploded view shows all the parts pulled apart slightly so you can see how they fit together.



4. The TP holder is fixed to the wall using screws and washers



5. Fix the cap on the TP holder to cover the screws.
